

## Innovative Igloo - GDPR Cookies Policy

Our website may use cookies to enhance user experience. We believe in being transparent by providing detailed information on how we collect and use any data related to you. As explained in our Privacy Policy we use cookies, and by your continued visit to our site you are agreeing to the use of cookies as described in this policy.

### What are Cookies?

Cookies are small text files stored on your device. You can manage your cookie preferences through your browser settings.

### Third-Party Cookies

We may use third-party cookies to analyse website traffic, improve functionality, and for marketing purposes. These cookies are subject to the privacy policies of the respective third-party providers.

### Managing Cookies

You can manage your cookie preferences through your browser settings. However, disabling certain cookies may affect the functionality of our website.

### The use of Cookies:

Category of Cookies	Description
Necessary Cookies	Necessary cookies are essential for the proper functioning of a website. They enable basic functions like page navigation and access to secure areas.
Performance Cookies	Performance cookies collect information about how visitors use a website, such as which pages are visited most often. This data is aggregated and anonymous.
Functionality Cookies	Functionality cookies enhance the user experience by remembering user preferences, such as language preferences or region selection.
Targeting/Advertising Cookies	Targeting or advertising cookies track user behaviour across websites to deliver more relevant advertisements based on interests and online activities.
Analytical Cookies	Analytical cookies gather information about website usage patterns, allowing for the analysis of user behaviour and the improvement of website performance.
Session Cookies	Session cookies are temporary and are deleted once the user closes their browser. They are crucial for the proper functioning of interactive elements.
Persistent Cookies	Persistent cookies remain on a user's device for a set period, aiding in remembering user preferences and settings for future visits.

The privacy use of a Cookie is compliant with the [General Data protection Regulations \(GDPR\)](#).

### **How to decline or remove cookies?**

To decline or remove cookies, users can typically manage their preferences through their web browser settings. Most browsers allow users to control cookie acceptance, block specific types, or delete existing cookies. Users can access these settings in the browser's privacy or security options.

Other browsers provide help pages relating to cookie management.
